

Cadet Student Arrival Instructions.

All cadet students will report to the Fort Sill Visitor's center no earlier than 1000 and no later than 1200 on 9 June 2019. If cadets arrive before 1000 hours, they will be turned away to return later. You may arrive on 8 June if you have unchangeable transportation plans and have no other way to get to encampment. If you arrive on the 8th, you may arrive no earlier than 1400 and no later than 1600. You must contact the encampment staff if you must arrive at encampment early (this does not apply to the cadets that are riding in corporate vans as previously coordinated).

Visitor Center Procedures and drop off. Cadet students and parents will be met by CAP personnel at the Visitors Center for initial check in. Students will need to hand carry all paperwork with them to this initial check to be sure it is complete. Parents should not leave until their cadet student's paperwork has been reviewed by the encampment personnel. After paperwork verification, the cadet students will be transported to the encampment area for further inprocessing. Parents will have an opportunity to ask questions and receive a short welcome brief by senior encampment staff while at the visitor's center.

Cadet students that arrive by corporate vehicles will be allowed to proceed directly to the encampment area to begin inprocessing after the driver receives base access. *Drivers, please be sure to review your cadet passenger's paperwork BEFORE you leave home base.*

Cadets driving POVs. Cadets may drive their POV to encampment. They will process through the Ft. Sill visitor center to obtain a base pass. After they have been given base access, they will follow a CAP van to the encampment area. Once there, they will park their car and give their keys to the Senior Staff (for storage) during inprocessing. Cadet students will not have access to their vehicles for the duration of encampment unless it's an emergency.

Uniform for arrival. Cadet students will report in BDUs, ABUs, or CFUs.

ID requirements: All members, 16 years old and above, will need a picture ID to enter the base.

Paperwork: Be sure you bring hard copies of your forms (31, 160 etc).

Tuition: \$225.00, due at inprocessing (N/A if using Paypal)

Graduation. Graduation is scheduled for 1000 on 15 June 19. Parents wishing to attend graduation will need to obtain a base pass to enter Ft. Sill (unless they have military ID). We recommend that parents either obtain a pass before Saturday or arrive early enough to process the visitor center to be sure they do not miss graduation. More specific graduation information will be posted NO LATER THAN Tuesday, 11 June 19.
